I am very proud of the music on this **Ultimate** recording. It is really amazing how each song brings back such a special memory for me, as I can picture the exact moment I wrote each one and where I was in my life at that time. I have been and continue to be very lucky to be able to create music as my life, and want you all to know how much I appreciate your support. I hope you enjoy this very special collection of my work.

I would like to dedicate this album to the ultimate in my life... my beautiful family.

Ultimate **Kenny G**
